

Information regarding the holding of non-listed securities in an Investor Share and an individual Securities Account or Joint investors Securities Account of a beneficiary Shareholder/Bondholder in the DSS through an Euronext Securities Athens Participant

Beneficiaries who **already have an Investor Share and an individual Securities Account or Joint investors Securities Account in the DSS**, are required to provide the Issuer with the code number of the Investor Share and the Securities Account where the non-listed securities will be held, as well as the code of the relevant Participant in the DSS. This information is included in the **"Investor Share & Securities Account Details" printout of the DSS**, which can be provided to the beneficiaries by the relevant Participant.

The holders of non-listed securities (shares or bonds) who **do not have an Investor Share and an individual Securities Account or Joint investors Securities Account in the DSS**, are required to create an Investor Share and an individual Securities Account or Joint investors Securities Account in the DSS through a Participant of their choice and provide the relevant code numbers to the Issuer. Specifically:

- a) For the **creation of an Investor Share and an individual Securities Account (for a natural or legal person) in the DSS** through an Euronext Securities Athens Participant, the **interested holder of non-listed securities (Shares or Bonds)**:
1. Is addressed to an **Euronext Securities Athens Participant of their own choice**
 2. Follows the Participant's instructions regarding the **completion of their investor classification questionnaires** and the **signing of the relevant Investment Services Agreement**, by submitting relevant **documents**, for example:
 - **in the case of Natural Persons:** photocopy of the identification certificate (ID card or passport), recent income tax return, confirmation of Social Security Number (AMKA), telephone bill, email address, etc.
 - **in the case of Legal Entities:** certificate of registration in the relevant Register (GEMH), certifications of legal representatives and final beneficiaries, income tax return, telephone bill and email of legal representative, etc.
 3. **Requests the Participant to provide the details of the Unit and Individual Account code number**, where the non-listed securities will be held, and the code of **the relevant Participant in the DSS**, in order to provide the same to the Issuer. Please note that this information is included in the **"Share & Securities Account Details" printout of the DSS**, which may be provided to the beneficiary by the Participant.
- b) In order to **create a Joint investors Securities Account in the DSS** through an Euronext Securities Athens Participant, it is required:
1. **All joint beneficiaries of non-listed securities (shares or bonds) must have an active Investor Share and an individual Securities Account in the DSS under the same Participant's management.**
 2. **The co-beneficiaries of non-listed securities to submit to the said Participant**, in accordance with its procedures, the relevant **application for the creation of a Joint investors Securities Account**, in which the **1st co- beneficiary** will be **designated as the person in charge of the Joint investors Securities Account** and **the order of the co-beneficiaries**, specifying appropriately the **indication of succession**, so

that in the **event of the death of a co- beneficiary the non-listed securities attributable to him/her will pass to:**

- **either to the other co- beneficiaries of the Joint investors Securities Account automatically, without additional procedures and charges,**
- **or to the legal heirs of the deceased co- beneficiary, in accordance with the law of succession.**

3. The **1st co- beneficiary to request from the relevant Participant the details of the code number of the Joint investors Share & Securities Account in the DSS**, where the non-listed securities will be held, as well as the code number of such **Participant in the DSS**, in order to provide them to the Issuing Company. Please note that this information is included in the **"Investor Share & Securities Account Details" printout of the DSS**, which may be provided to the 1st co- beneficiary by the Participant.
